

THE CBL METHOD

Advancing Equity and Excellence in K-12 Through Competency-based School & System Transformation

FUTURE-READY LEARNING OUTCOMES

Develop meaningful, future-ready learning outcomes and the progressions to measure them.

PORTFOLIO-BASED ASSESSMENTS

Determine sufficient learning evidence in terms of authentic, creative work. Then systematize it.

LEARNER-CENTERED EXPERIENCES & ENVIRONMENTS

Use CBL and community-building practices & designs to support engaging, rigorous learning and personalized pathways.

REIMAGINED GRADING & REPORTING

Develop evidence-based, equity-centered grading policies and practices. Iterate through ongoing action research.

FLEXIBLE ADVANCEMENT

Adapt policies and systems to enable crediting and flexible advancement upon demonstrated readiness.
